June 7, 2011**

Present—Trustees: Alison Aldrich, Mark Frye, Lucy Hospodarsky, Laurie Lenzini, Nora Loreda, Catherine Regalado; Anthony Molaro, Director  
Absent: Jaime Barraza, Bertha Chavez

Prior to the meeting the new director was introduced to the city council.

**Meeting called to order at 8:27 pm.**

Library Logo

Joe Davis of Street Level Studio provided 6 possible library logo designs. The group liked concept 6 because it was playful, warm, creative, and pleasing font, but one concern was that logo wouldn't easily stand alone without "Highwood Public Library" words. Many liked the icon from concept 4, especially with color, and it could stand alone, but font wasn't favored. Ms. Hospodarsky will share thoughts with Mr. Davis.

New Business

- Mr. Molaro will be the new RAILS library system voting member for the library.
  
- The June annual meeting with reports and goal setting was discussed. Board officers will be elected and committees will report on goals.

**Meeting adjourned at 8:54 pm.**
