

FY20 Board Annual Reports: Policy Committee

The Policy Committee meets as needed to review existing policies and develop new policies before making recommendations to the full board. In FY20 we added member Janell Cleland and under new director Carmen Patlan took a proactive approach to reviewing all policies. The committee created an annual calendar, based on state library recommendations, for the committee and board to review policies on a regular schedule.

This year on behalf of the Personnel Committee we also undertook a comprehensive review/revision of the Personnel Policy, which was approved in October, 2019.

The Rated R policy, which didn't conform to ALA standards was discontinued. The following policies were reviewed, created and/or revised as needed, and approved by the board in FY20:
